"Hi, I'm Kami and I love to feel good. So when there is no man around, I like to take things into my own hands and do what I've been doing almost every day for the last thirty years. Today, it's just me and 'Avender' my trusty lavender dildo. He's my choice if I'm going to explore more than my pussy. But oh, I've said too much. Sit back and watch!"

"Avendar is just the best. It's like a combination of anal beads and dildo. I just love the segments because they make my sphincter muscle loosen and tighten as it goes in and out. Sometimes, I'll count the number of segments just to feel which one makes me cum the best. And when I push it in and out quickly, it makes a 'brrr-ing' sound. Now that's pretty cool stuff, huh?"

How to keep a man happy...

Hello to readers of **40+**. My name is Estella and I'm a happily married woman, married to a very happily married man, because I take the time to please him and to make him know that I like pleasing him. He should never think that it is just a mechanical act I go through to fel-late him. It is just one of the most sexy ways a man can be pleased – when a woman adores his cock. One of the best ways to do this is to suck it for him. And I don't mean just lightly lick it, I mean take it in your hands, adore it, and take it down your throat. You'll keep your man for life.

Men know if you like giving head or not just by how you go about it. If you don't like it, he will know because the enthusiasm is not there. Go for it in a big way and it will turn him on so incredibly that it will burn the scene and feelings in his memory forever. A woman in charge of her BJ and who wants to seriously give her man pleasure, is in control of him in that moment. Here are some well-tested homemade tips for truly making love to your partner's favorite appendage:

Be a clean machine:

No woman wants to go down on a smelly dick, so please guys, be clean when you're ready to receive. If you have time to take a shower, do so. If not, take a moment in the bathroom and clean up. You know that you don't want to go down on a smelly pussy, so why should she want to please a cock that not clean. Besides, if you have a favorite cologne, dab just a little around your privates so she will associate that scent with you, and if not, at least she'll remember that you smelled good while she was blowing you.

He likes to watch:

Men are visual lovers, they say, so let him

watch as you master his cock. If you are lying on the bed between his legs, or if he is standing looking down, he is intently watching you. Use one hand to stroke his tummy, balls, up and down his legs, thighs, nipples, and hold his cock with the other hand so you can guide it carefully away from your back teeth. Guys who pull your hand away sometimes regret it because they don't realize you are keeping his precious head from those sharp grinders in the back of your mouth. If they've pulled your hand away though, it might be an indication that you were squeezing too hard, or that he wants you to take his cock deeper into your mouth, especially if he is small or your hand takes up most of the length of the shaft. Going all the way down on him is incredibly pleasurable for the man who sees his cock disappears down your throat.

Make an effort:

You will need to put some effort into giving the best head ever. Putting the penis in your mouth and simply going up and down on it will accomplish very little. This is not a blow job. You hold the power to give the best blow job ever so unleash it! Make soft purring sounds. Close your eyes. Open your eyes and make eye contact. Little nips and squeezes go a long way. Change the pace every now and then to prevent boredom for both of you.

Slip and slide:

Some men like their blow jobs sloppy wet, so there can never be too much saliva during oral sex. Be sure he is okay with it dripping out of the sides of your mouth and the gurgling sounds you make. If dry mouth is a problem keep a pleasing lubricant or a glass of water (or wine) nearby to help keep his cock slick and

*Editor,
Where did you ever find such a tasty dish as Brooke (Brooke Belle, 40+ #36)? Everything about her screams SEX. Dear 40+...

Thanks for some unusual images of Staci sucking

dick and licking ass. It's always something I wanted to have done to me and seeing it here is an even bigger turn on.

sliding easily down your throat.

Why it's called a hummer:

There are many euphemisms for fellatio and my favorite is 'hummer.' By humming or making slurping noises during a BJ, you can actually send vibrations throughout the penis which can be very enjoyable for your man. Try it.

Deepthroating:

Linda Lovelace made it popular in the '70s but it has always been a part of oral sex. In my opinion deepthroating is the best blow job technique ever.

There is nothing like watching his entire penis come spilling out of your mouth. Let him watch it completely disappear down your throat and come out again. It's really not that hard to do, unless he is nine inches or longer. It does, however, take practice not to gag and tear up. The good part is that he'll let you practice as much as you like! The flicking and wagging of your tongue using good pressure is very pleasurable, also. Try twirling it around the head one way, then the other way. This will bring gasps and moans. My personal preference is go deep before we fall asleep.

More than talking dirty:

Talking dirty can be a great turn on but sometimes it will not end in giving great head. Saying things like "You taste so good." or "You are so big." in your sexy voice are a definite plus while giving him a great BJ. But I'm more specifically referring to the verbal communication needed to know what your man likes in receiving your oral attentions. Use phrases like, "Do

you like it when I do this?" or "Which way feels better?" Communication plays a major role in giving the best blow job ever. And it gives you a breather from all the hard work!

Love his two boys, too:

Parked just below his cock are his 'boys.' They are an integral part of the blow job. If they get attention from your mouth or your hands, they report directly to the head and can make it swell even more. Men don't usually get the type of attention they want for their balls because some women think they are ugly, hairy or may even think they'll hurt them. But if you gently stroke them and suck them by taking one into your mouth at a time, tonguing it then moving to the other one, you will see how much enjoyment he derives from this attention. Then use your tongue horizontally up the vein of the cock and feel him gasp when you again, suck the head into your mouth. It's also kind of a weird but neat sensation to feel them in your mouth.

Nibble but don't bite (too hard):

Another one of my successful little tricks that makes my man gasp is when I use my teeth ever so gently on the tip of his penis or shaft. I start out by having my teeth clenched together at the tip of the penis. Then as I glide down the tip as I slowly open my jaws. My lips are closed around the shaft as my head moves downward. Then I flick my tongue as my teeth give way and cause a suction with it. While some men enjoy a little nibbling, there is nothing worse than the pain that can be felt from scraping teeth. Some scraping is going to occur and there is no way to totally prevent scraping him, especially when your going at it fast and furious.

Foreskin for foreplay:

If your man is uncut then you've got a little extra something to play with. But be careful, most men who are uncut are extremely sensitive when you expose the penis head by push-

ing the skin all the way down and holding it down to suck him (but be careful here as some can find this painful). You can have him pull on his foreskin and you can fill it with a little wine or champagne for a quick shot of libation. Spray some whipped cream in it and smash it shut quickly for an explosion of white goofiness and laughter. My favorite is to pour in some chocolate syrup and then let it overflow down his shaft, and I get to lick him clean. Sometimes I pull the skin up and stick my tongue between the outer skin and see how far down I can slide my tongue in before the skin folds back with my motion. Be creative and inventive and have fun because you cannot do any of this with a circumcised man.

The money shot:

Spit or swallow? That's become a catch phrase in its own right. An indicator of the type of woman you are bedding. But when I ask my man, it really doesn't matter. When he cums, he's done. He is not part of the spit or swallow. You are. In reality, it's more of a porn marketing ploy than part of oral sex. Yeah, most guys would like to hear you say that you swallow, but once they shoot it in your mouth, that's all they care about. Many men grew up watching porn and in all porn, pulling out of the mouth and other orifices is the norm, so the viewer can see the glorious "money shot."

The oral afterglow:

If and after he cums in your mouth, slowly pull away and leave the penis alone. It is quite sensitive and can't bear much more attention for a few minutes. You could lick him clean if there's cum on his shaft and you like to do it, or you could place a nice warm washcloth on his shaft and scrotum and it will feel lovely to him while he is resting and recuperating. Then before falling asleep in his arms, or seeing him off to work, place a nice sweet kiss, with eye contact, on his penis head and seal the deal once again.

Well, I hope this has been helpful to both you

men and women out there. Oral sex is such a wonderful thing to begin with, so if you can 'take it to the next level,' then that's gotta be a great thing. Above all, don't be afraid to talk about sex and oral sex. Nothing will work better than to know what your partner likes and that you like doing those things for them.

I'm just a 40-something housewife that has seen good times and bad in my marriage, but the oral sex, it's always been good!

Brooke rings my Bell!

To the editors,

Just writing to thank you for lots of wanking material in your covergirl's pictorial. Brooke sure rings my bell, and she gives me a huge stiffie that only a lifetime with her could cure. I'd like to make my case for her.

I really dig blonde chicks and bodies with an all over tan. She's got all that and so much more going for her. But if she thinks she's a whore like her choker says, then she should hook up with me and I'd make her a lady. I'd treat her right and let her do whatever she wanted with me or my money. There's plenty of both to go around. I'd fly her off to Monte Carlo and we'd get dressed like James Bond and spend the day gaming at the casino. Then, we'd drive to San Tropez where she could work on her all-over tan. Here's to hoping!

— Bailey, Newport News

JAMIE
&
RANDY

"I just love dressing up – just to undress. From frilly waistcoats and corsets to shiny pink vinyl bra and garter sets, these are the things that make me feel like a woman. When I was younger, I loved the torn jeans and belly shirts, but my tastes have become a bit more sophisticated as I matured. The great thing is the way I can still look great in both. Don't you think?"

Today I got all gussied up to spend the night with my good fuck buddy, Randy. He asked if I would try something Victorian and I said I'd love to do that. Long frilly slips and bouffant hair were the rule of the day and so I followed that rule. But it wasn't even two minutes before he had my clothes off and we were doing it.

He told me Victorians always did it in the ass.

Now who am I to argue with history.

SUMMER & C.J.

"Yesterday, my pipes burst and I didn't know what to do. I got on the internet and looked for plumbers in my area. When I called the Pipe Pros, they sent C.J. right over. He was very courteous and got the pipes fixed quickly. But he said it was only a temporary fix.

He'd have to come out tomorrow with a new section of pipe to lay. I said okay and at 2pm he was here. He finished the job and as I went to pay, I realized I had left my wallet at my gym locker."

As I was saying, I forgot my wallet at the gym club and now I have to pay C.J. He was very nice and understanding. I tell him that I'll go to the club and get it unless there's something else we can work out. I suggested that he drop his work overalls and I'd take off my workout clothes. He was very agreeable and we headed in for some head. That led to more sucking and fucking and after a wild three hours, his beeper went off just as he did and then he was off to lay some more pipe."

From fantasy to fantastic

Karolyne reached up the hand she had just had down her panties and trailed her fingers across my lips and under my nose.

I could smell her strong, musty scent. Her fingers were wet with her juices and I opened my mouth to suck them in.

I got home from work a little late tonight, very tired and just as hungry. When I went into the living room I saw the two ladies sitting on the couch and gossiping about other women. They offered me a glass of wine and went right back to their conversation. I figured this was not a time to ask what was for dinner. Now was I going to get one at this point. I got the bottle of wine and refilled our glasses. Then I sat down cross-legged in front of the fire and quietly sipped my wine. The wine was giving me a nice buzz and the fire felt warm against my back. As I sat there, I found myself watching Mariah and my wife. Both were beautiful women. Trying not to be too obvious, I watched Mariah's breasts rise and fall with each breath. I could see the dark outline of her nipples against the thin white top she wore. My wife would glance over at me from time to time and saw I was probably in another world.

And I was. Unable to help myself, I began imagining them sitting buck naked on the couch in front of me.

The music ended and I went over to put another CD album on. This time it was the crooning of Perry Como.

We listen to ballads during the evening and rock and roll during the day. I returned to my post and glanced back at the two just in time to see Mariah scoot forward slightly on the couch as she hiked her skirt up around her hips and, spreading her legs, began rubbing her fingers against the front of her panties. I could see a wet spot forming on the material between her thighs. Suddenly Mariah looked right at me. "Jeffrey, why don't you come up here and join us?"

Not quite sure I was believing what I saw and heard, I looked back at Karolyne and she smiled and nodded. Apparently she too had her dress pulled up around her waist and her hand was hidden from view beneath her panties. I slowly got up from my place in front of the fire and stumbled over to the couch. "You looked like you're about to pop a nut, dear," my wife said, pointing at my now exposed erection that I had forgotten to reposition when I stood.

I don't know if it was the wine, or just the situation I was in, but it felt completely unreal. I walked over to the couch and sat between the two girls. Karolyne reached up the hand she had just had down her panties and trailed her fingers across my lips and under my nose. I could smell her strong, musty scent. Her fingers were wet with her juices and I opened my mouth to suck them in. Reaching over, I felt Karolyne's hard nipples through the smooth cloth of her dress. She had both her hands back in her lap and I saw that she had pulled her panties aside and was slipping two fingers deep into her pussy, fondling her clit with her thumb.

Unbuttoning the front of her dress exposed her lacy bra. As I rubbed her hard nipples through the lace I felt fingers tugging at the belt to my pants.

I glanced down and was surprised to see Mariah had already undone the belt and was pulling down my zipper. Her top was already off and her bra hung from one shoulder as if she'd been in too much of a hurry to pull it all the way off. But it was her gorgeous tits that held my gaze. Bent down as she was, tugging at my trousers, her breasts had fallen forward until they were cradled between her arms. Sweat shone on her smooth skin and I could see a drop glisten on the tip on one dark nipple. This was getting to be too much for me to take in when I noticed Mariah had freed my cock until I felt the warmth of her hand encircle the base. I gasped. I looked at Karolyne and saw her eyes staring hungrily at my freed member as Mariah slowly stroked it up and down.

My wife raised her head and kissed me, pushing her tongue urgently into my mouth. I shuddered from the dual pleasure of my wife's passionate kiss and the excitement of her best friend stroking my cock. "Did you think I didn't know what we were getting into when I suggested Mariah come over?" She smiled again. "All Mariah has been talking about for the last week is how badly she needs a hard cock. So I gave in and invited her over. You don't mind, do you?" Before I could answer, I felt Mariah engulf me in her hot mouth. I grunted and closed my eyes. "And guess what?" Mariah said, leaning close and whispering in my ear. "She likes it in the ass, Jeffrey. She wants you to fuck her hard in the ass!" I had imagined fucking my wife in the ass, but the few times we had tried had been unsuccessful.

Now here she was encouraging me to do just that to her best friend! I slipped my right hand down Mariah's back until I reached her ass. I squeezed her cheek and then slid my hand down beneath the band of her panties into her crack. I felt her wetness long before reaching the opening to her pussy. Since she was leaning forward in order to suck my cock, her ass was lifted slightly off the couch, giving me just enough room to slide one finger into her sopping wet cunt. She groaned against my shaft when I entered her with one finger and began to slowly finger-fuck her. I shifted my hand slightly when my finger was slick from her juices until I could feel her tight sphincter against my fingertips. I rubbed it hesitantly, then harder as I heard her moan around my cock. I felt one of her hands leave my shaft

and I knew she was slipping it down between her legs to rub her pussy.

That turned me on so intensely that I had to clamp my teeth together to keep from filling her mouth with my hot sperm. I increased my pressure on her anus until I felt one of my fingers slip inside. I felt a tightness around my finger and I knew Mariah was close to cumming. I slid another finger into her asshole as she cried

out in rapture and collapsed into me. She shuddered as I removed first one finger and then the other from her. My cock was starting to spasm and I knew I was going to cum soon. Karolyne must have realized the same thing. I knew I had to hold out as best I could. Mariah stood up got completely naked and gripped my cock in her hand and grinned at me. "I want you to cum in my ass, Bryan. I want to feel your cum leaking out of my ass and dripping over my pussy." Mariah got up on her knees on the couch and raised her ass in the air. I could see the fine hairs glistening around her bung hole.

From her position, her ass cheeks were naturally spread wide and the puffy lips of her sopping pussy peeked out from between her thighs. I got down behind her and

This was the moment I had been waiting for. Her ass seemed so tight that I didn't see how my cock could possible fit inside. I pressed the head against her opening and slowly increased pressure.

streams of cum into it. I stood up on my knees sensing she was ready. I rubbed my cock in the crack of her ass. Her cheeks hugged me and I had to breathe deeply to calm my racing heart. I wanted this to last. I positioned my cock at the entrance to her pussy and slowly slid my length into her wet opening. She was so incredibly hot! I looked down and saw Karolyne sitting a few feet in front of Mariah, leaning back against the arm of the couch.

She had her legs spread wide and was furiously rubbing her clit as she watched us. After a few more strokes, I slipped myself out of Mariah's dripping snatch and positioned it at the opening to her ass. This was the moment I had been waiting for. Her ass seemed so tight that I didn't see how my cock could possible fit inside. I pressed the head against her opening and slowly increased pressure.

Hesitantly, almost unnoticeable at first, I felt my cock slide into her. The head of my cock slipped past the first sphincter muscle and I was engulfed in a world of heat and tightness. It felt as though her ass was sucking me in and would never let go. I pushed my full length into her and she gasped with pleasure. I had never felt anything so powerful before. We continued into this ecstasy for several hours, enjoying each other's bodies and the many offerings made of them.

The fire had been out for a quite a while and the wine bottle was long empty. What I thought was a fantasy turned out to be fantastic.

traced her pussy with my tongue until I got to the dripping opening. I sucked the juices from it and I had never tasted anything so wonderful.

I ran my tongue up between her cheeks until I felt her puckered anus under the tip of my tongue. She groaned again and pushed her ass against my face. I fucked her asshole with my tongue, knowing in a few moments it would be my cock fucking her opening and shooting

HEATHER & JENNER

"Hi all. I just got my boobies redone from the last time you probably saw me. They aren't much bigger – just 24cc more – than before, but they look better and sit nicely on my chest. Don't you think so? I called my booty guy, Jenner, and asked him to come over and check them out. He was in total agreement and asked if he could touch them. Well, one thing led to another and we ended up touching each other all over the place."

Because of these new boobies, my nipples are ultra-sensitive. When he touched and licked them, I almost came. But that had to wait for fuck time. Jenner can sure last long, and I like that in a man. How much fun can it possibly be if the guy cums in two minutes, or even twenty minutes. I don't even get warmed up for a good half hour!"

SOPHIE & BISHOP

"I think foreplay is totally underestimated as a turn on for us women. I gotta have foreplay before sex, lots of it. Not only will it get me in the mood, but it feels really good. I must have my boobs touched and my nipples sucked on before heading down South or shoving your cock into me. That is never too much to ask of my lovers."

**“After the foreplay is finished,
I’ll jump on the guy and ride him,
cowgirl style. That way he can
get a full view of my huge breasts
as I bounce up and down on him
because I know that’s a big turn
on for guys. Then I change to a
reverse cowgirl so he can get a
good look at my ass as it pumps
up and down on his cock. Now
that’s a real turn on, isn’t it?”**
